

FLUS2IRARI

ITALIAN LIGHTING IDENTITY

NIDO

Suspended LED light

 Diffusore prismatico antiabbagliamento, illumina l'area di lavoro senza affaticare gli occhi. La struttura a nido d'ape non solo attenua la luce, ma trasmette una sensazione naturale.

 Antiglare prismatic diffuser, it illuminates the work area without tiring the eyes. The honeycomb structure not only alleviates the strong light but also gives a natural feeling.

PERSONALIZZABILE / CUSTOMIZABLE
