Italy Lumea St è ideale per le pareti esterne, aggiungendo un tocco sofisticato a qualsiasi ambiente. Dotato di un sistema LED ad alta efficienza, offre eccellenti performance con un notevole risparmio energetico. I materiali selezionati con cura assicurano una lunga durata e resistenza alle intemperie.

Alloggiamento: Alluminio pressofuso.

Diffusore: Policarbonato.

LED: Riduce il consumo energetico con L80/B10/F10, garantendo una durata di 50.000 ore di funzionamento e un'efficace operatività in temperature da -21°C a 56°C.

UK Lumea St is perfect for outdoor walls, adding a sophisticated touch to any space. Equipped with a high-efficiency LED system, it delivers excellent performance while ensuring energy savings. The carefully selected materials guarantee long-lasting durability and resistance to weather elements.

Housing: Die-cast aluminum.

Diffuser: Polycarbonate.

LED: Reduces energy consumption with L80/B10/F10, offering a 50,000-hour lifespan and reliable operation in temperatures from -21°C to 56°C.

! Beam angles, optics tailored for specific projects, asymmetric effects, special lenses, opal diffusers, reflector RAL color (if different from white), and the use of anti-glare accessories collectively contribute to variations in total lumen flux compared to the technical sheet data.

Flussirari reserves the right to modify the characteristics of its products and their availability without prior notice. The information provided, including product details, technical data, illustrations, and specifications, is not considered binding. Flussirari accepts no liability for any discrepancies. In our continuous pursuit of product enhancement, we retain the prerogative to make changes to specifications or materials without prior notification, provided such modifications do not compromise the functionality of the product.

For the most current and authoritative specifications, users are advised to refer to the specification sheets available at www.flussirari.it. These documents supersede all other printed or electronic versions and are reflective of the latest updates and revisions.

Compliance may vary in each power supply based on country-specific technical regulations.
