COMPLIANCE

CERTIFICATIONS / POWER SUPPLY COMPLIANCE CHOICES

Italy Square Scenario è un downlight che presenta un caratteristico bezel a 4 spot, un design davvero particolare e creativo che aggiunge un tocco di unicità a qualsiasi ambiente. La sua estetica moderna e il design innovativo lo rendono una scelta eccellente per chi cerca qualcosa di diverso, senza rinunciare alle alte prestazioni e all'efficienza energetica.

Alloggiamento: Alluminio pressofuso

Riflettore: Alluminio anodizzato

LED: Riduce il consumo energetico con L80/B10/F10, con una durata di 50.000 ore, e funzionante in modo efficace tra -21°C e 56°C.

UK Square Scenario is a downlight that features a unique 4-spot bezel, offering a distinctive and creative design that adds a touch of individuality to any space. Its modern aesthetic and innovative design make it an excellent choice for those seeking something different, while maintaining high performance and energy efficiency.

Housing: Die-cast aluminum

Reflector: Anodized aluminum

LED: Reduces energy consumption with L80/B10/F10, offering a 50,000-hour lifespan, and operates effectively between -21°C and 56°C.

! Beam angles, optics tailored for specific projects, asymmetric effects, special lenses, opal diffusers, reflector RAL color (if different from white), and the use of anti-glare accessories collectively contribute to variations in total lumen flux compared to the technical sheet data.

Flussirari reserves the right to modify the characteristics of its products and their availability without prior notice. The information provided, including product details, technical data, illustrations, and specifications, is not considered binding. Flussirari accepts no liability for any discrepancies. In our continuous pursuit of product enhancement, we retain the prerogative to make changes to specifications or materials without prior notification, provided such modifications do not compromise the functionality of the product.

For the most current and authoritative specifications, users are advised to refer to the specification sheets available at www.flussirari.it. These documents supersede all other printed or electronic versions and are reflective of the latest updates and revisions.

Compliance may vary in each power supply based on country-specific technical regulations.
