Stylio 2 è un apparecchio di illuminazione dal design elegante che diffonde la luce con naturalezza, creando un'atmosfera affascinante. Con l'opzione di una lamina posteriore bicolore, aggiunge versatilità per adattarsi a qualsiasi ambiente.

Alloggiamento: Alluminio pressofuso.

Riflettore: Alluminio anodizzato per un riflesso della luce superiore.

LED: Sistema LED ad alta efficienza con valutazione L80/B10/F10, garantendo una durata di 50.000 ore e prestazioni affidabili in temperature da -21°C a 56°C.

Stylio 2 is a sleekly designed light fixture that effortlessly radiates light, creating a captivating ambience. With the option of a dual-color back sheet, it adds a touch of versatility to fit any environment.

Housing: Die-cast aluminum.

Reflector: Anodized aluminum for superior light reflection.

LED: Energy-efficient LED system with an L80/B10/F10 rating, offering a 50,000-hour lifespan and reliable performance in temperatures from -21°C to 56°C.

COMPLIANCE

CERTIFICATIONS / POWER SUPPLY COMPLIANCE CHOICES

Beam angles, optics tailored for specific projects, asymmetric effects, special lenses, opal diffusers, reflector RAL color (if different from white), and the use of anti-glare accessories collectively contribute to variations in total lumen flux compared to the technical sheet data.

Flussirari reserves the right to modify the characteristics of its products and their availability without prior notice. The information provided, including product details, technical data, illustrations, and specifications, is not considered binding. Flussirari accepts no liability for any discrepancies. In our continuous pursuit of product enhancement, we retain the prerogative to make changes to specifications or materials without prior notification, provided such modifications do not compromise the functionality of the product.

For the most current and authoritative specifications, users are advised to refer to the specification sheets available at www.flussirari.it. These documents supersede all other printed or electronic versions and are reflective of the latest updates and revisions.

Compliance may vary in each power supply based on country-specific technical regulations.
