

CALIPSO

**ATTENZIONE / CAUTIONS:**

- IT**
1. Scollegare l'alimentazione prima di effettuare qualsiasi operazione di installazione o manutenzione.
 2. L'installazione deve essere effettuata da personale qualificato secondo le norme di settore.
 3. Collegare questo dispositivo di illuminazione in base alla tensione e alle frequenze citate sul driver.
- EN**
1. Switch-off the power supply before any installation and maintenance operations.
 2. Installation should be carried out by a suitably qualified person in accordance with good electrical practice and the appropriate national wiring regulations.
 3. Connect this lighting according to voltage and frequencies mention on driver.

INSTALLAZIONE / INSTALLATION:**1****IMPORTANT NOTICE:**

Use ONLY 24 VDC constant current PSU/Driver
 The LED's in this LED panel cannot be replaced.
 The LED panel must be installed in accordance with all applicable building regulations.
 At the end of use, the light panels must be treated as electrical scrap and disposed of in accordance with applicable regulations.

**CAUTION:**

Make sure there is NO electrical connection between light panels and other electrically conductive elements e.g. grounded metal parts:

USE ONLY countersunk screws – MAX head diameter 7 mm.

DO NOT tighten bracket screws more, than they can still be moved sideways by hand.

NOTE: For 1800 mm panels: add centered bracket*

2**3**

Avoid bending connector pins.
 ONLY slidpanels together

4

Observe POLARITY when connecting panels!
